

2015 FAIRSING VINEYARD PINOT NOIR YAMHILL-CARLTON

VINEYARDS

Fairsing Vineyard is owned by Mike and MaryAnn McNally and is managed by Daniel Fey of Results Partners. It's located on Willakenzie soils in the Yamhill-Carlton AVA just northeast of Yamhill. It towers on very steep slopes at an elevation of 750' is planted to over 40 acres of Pinot Noir and Chardonnay. The vineyard is also both certified Salmon Safe and LIVE to guide their farming practices.

VINTAGE

This vintage will go down as the warmest growing season in recorded history in the Willamette Valley. Moderate temperatures all spring led to ideal growing conditions throughout the summer. This put very little pressure on the vines, producing grapes with nicely balanced chemistry at harvest time. The warm days continued into mid-October which allowed extended hang times with very ripe fruit. Yields were up and the fruit arrived in immaculate condition to the winery with very little need for extensive hand sorting on the crush line.

WINEMAKING

The trio of clones for this wine were harvested from the some of the highest blocks of the vineyard on September 21st. They were sorted and destemmed into one stainless steel tank and then cold soaked for seven days. This cold soak method extracts color and supple tannins from the skins without the presence of alcohol. The lot was left to begin to spontaneously ferment on its own and was hand punched twice per day to dryness. Post fermentation soaking continued until pressing off after more than 25 days on the skins. The new wine was then settled for a week before it was gently racked by gravity to barrel. After spending 17 months resting in barrel, the wine was racked to tank and bottled in March. It should evolve wonderfully for at least 7 to 10 years.

TASTING NOTES

This wine shows dark fruited aromas of red cherry, blueberry, caramel that converge with notes of cigar box, bay leaf, and vanilla. A smooth entry gives way to a broad and silky mid-palate that finishes with well-rounded tannins. Complex flavors of ripe cherries, cola, and herbs, grow into a long and seductive finish.
