

## 2011 Roussanne

*42 cases produced*

### Tasting Notes

Think of honeysuckles and Pineapple upside down cake with a creamy texture while you sip this golden delight. The flavors just seem to sail on forever. Try pairing this versatile white with your favorite seafood dish.

### Winemaker Notes

The Roussanne was picked from Lonesome Spring Vineyard on October 21<sup>st</sup> and pressed whole cluster and then settled overnight. The settled juice was racked to barrel and inoculated with several yeasts and fermented to dryness. After going through a partial ML fermentation, the wine was sulfured and aged on lees and stirred every 2 weeks. Sterile filtration and bottling occurred on August 3rd of 2012.
